# *Welcome to Lakeside!*

The Waseca Lakeside Club wants to extend a warm greeting and welcome to all our current members and our prospective new members. As your number one option for a round of golf in Waseca, we believe we have everything you need to create an unmatched golf and recreation experience.

We are proud to present Waseca County's only championship 18-hole golf course, where our holes are intertwined among beautiful oak, maple, and ash trees along the north shore of beautiful Clear Lake in Waseca. Ours is a rare course with such high-quality design that Lakeside easily caters to both experienced players and newcomers. Multiple tee lengths, rolling terrain, picturesque landscape, and friendly staff make our course welcoming to all.

In addition to our lovely golf setting, your family will also quickly discover league and tournament opportunities, a full-length driving range, our Junior Golf Program, and an in-house Pro Shop stocked and maintained by our PGA golf professionals. Relax on our outdoor patio or by the staffed swimming pool, enroll in swimming lessons, and take full advantage of reciprocal golf privileges with 14 other area golf courses. Please also enjoy our full-service bar, dining options with a catered food service, and banquet room availability with comfortable seating for 150 in our newly remodeled clubhouse that is perfect for hosting banquets and events.

By working hard to provide the best possible experience at a price that won't break the bank, we have become a staple of the community. We want to provide our members and guests with the finest quality products and service and strive to create a friendly and courteous atmosphere for their enjoyment. You'll continually see us working hard to retain the reputation of one of the region's premier golf experiences, and we believe you'll immediately feel the pride and tradition in everything we offer.

If you're already a part of the Waseca Lakeside tradition, we thank you for your support and we're glad to welcome you back for the 2026 season! If you have yet to join Lakeside, thank you for your interest and we are excited to meet you. In either case, we hope that you'll stop into the clubhouse to say hello.

If you have any questions, please contact our Pro/Manager, Matt Hauge at (507) 835-2574. We hope you enjoy this season and look forward to providing an enjoyable experience on the links, in the clubhouse, or at the pool.

**Thank You and Welcome to Lakeside's 2026 Season!**

# GOLF COURSE RULES

In controlling the use of the golf course, certain rules and regulations are required to insure the maximum enjoyment by all members. These are controlled by the Golf Professional.

## STARTING OF PLAY

All play must start at the first hole unless otherwise permitted by the Club Professional or his assistants. All players are required to register in the Golf Shop. Starting times available for Lakeside members 7 days in advance, 3 days in advance for non-members.

## GOLF PLAYING SCHEDULE

**Men's Restrictions - Ladies Only** play will now be from 12:30 PM to 6:00 PM on the Front Nine. All other members may tee off until 12:30pm and still finish your round. All other members may begin teeing off at 5:00 PM on the Back Nine.

**Women's Restrictions - Women** may tee off the 1st tee by 11:45 a.m and may finish their round. Men will have the block of tee times from 11:45-6:00 p.m. All tee times will be booked based on availability and discretion of the Club Professional or his assistants to facilitate smooth play for the circumstance of the day.

**All Juniors - No play** during restricted hours of Tuesday (1:00-6:00) and Wednesday (after 12:00). No play on Saturdays, Sundays, and Holidays before 3:00, without adult golfer supervision.

**10-Under - Adult golfer supervision** required at all times.

## PRIORITY OF PLAY

Players interrupting their play by leaving the course, or stopping between nines, lose their place and must then obtain permission from the Golf Professional before re-entering the course.

## **MEMBER DINING**

Tuesday.....	Ladies' Day Dinner.....	5:30 - 9:00
Wednesday.....	Stag Dinner.....	6:00 - 10:00
Friday.....	Family Dinner.....	6:00 - 10:00

In the Spring and Fall the Kitchen closes 30 minutes after sunset. Lakeside has made a few changes in our catering for the up-coming season. During May reservations should be made by noon on Fridays. To make a reservation call the club at 835-2574.

## **USE OF COURSE**

The golf course is reserved for players -- non-players are allowed on the course for observing, only when permitted by the Club Professional. Small children, strollers, etc. are not permitted on the course. Two people may not play out of one golf bag.

## **SUGGESTIONS FOR BEGINNERS**

Members just beginning golf should acquaint themselves thoroughly with the etiquette of golf, as well as the USGA rules before using the golf course for regular play. Also, new golfers are encouraged to receive instructions from the Golf Professional before beginning play on the golf course.

## **SPEED OF PLAY**

In the interest of all, players on the course should play without delay. When a group of players fails to keep its place on the course by falling more than one hole behind the players in front, or if players behind are obviously playing faster, the slower group in front **MUST** allow faster players following them to pass.....regardless of the age or sex of those behind.

When the play of the hole has been completed, the players should immediately leave the putting green to allow those following to play their approach shots. Recording of scores should be done on the next tee.

## **REPAIR OF COURSE**

Any turf cut or displaced from the golf course should be replaced. Proper replacement of divots will make the course more attractive and improve the overall playing conditions.

A ball in a bunker (sand trap) must be played from where it lies. In order to minimize poor lies, all players leaving a bunker should rake smooth all footprints and depressions.

Greens are expensive and require great care. Players should be careful not to scuff or injure the greens when walking. Players should repair ball marks on the greens caused by the impact of the ball. Carts are not permitted within ten yards of greens or on tees.

Continued violation of the rules for repair of the course could result in suspension of golf privileges as determined by the Greens Committee.

# HANDICAP SYSTEM

All 9 Hole and 18 hole scores, both home and away, must be recorded in the Golf Shop.

Since most club golf events are handicap events -- an accurate handicap system is important to the success of the golf program. Each member must post their score on the computer in the Golf Shop.

The U.S.G.A. Stroke Control Handicap System is used for all handicaps. Any questions concerning the system may be directed to the Golf Professional.

# GUESTS

All golf-playing guests must be registered in the golf shop. In town guests privileges are limited to 5 rounds per season per non-member. The host member is responsible for the conduct of his or her guests while at the club.

# RECIPROCAL GOLF PRIVILEGES

Reciprocal golf privileges will again be included in your Lakeside golf membership. Family memberships will receive two complimentary rounds of golf at each reciprocal club, and single memberships will receive one complimentary guest fee.

Lakeside members who bring non-member guests to reciprocal clubs will be given the guest fee rate at the host clubs.

Reciprocal golf cards must be presented and punched at the host club for reciprocal playing privileges to be granted. No exceptions.

To make starting times for reciprocal golf, members may call the club they are interested in playing to set up starting times. Phone numbers of reciprocal club and availability of clubs are listed below. Please identify yourself as a member of Waseca Lakeside Club when calling for reciprocal golf starting times.

## Individual Jr. Golf Lessons with Matt & Andrew

Membership in the summer junior golf coaching program offers a unique opportunity for any young golfer looking to improve his/her golf games. The junior golf coaching program is based on COACHING the student over a period of time versus simply providing a "one-time" lesson. This approach creates an environment where skills are built step by step using sound fundamentals. DETAILS: Students will get one lesson a week that works in your schedule.

**Limit of 15 Students. Spots will go fast.**

# 2026 LAKESIDE POOL SWIMMING LESSON SCHEDULE

## POOL NEWS

Please watch the website for more information about swimming lessons and sign ups.

## POOL UPDATE

**Guests \$7 per person • Max 5 Times**

For questions regarding membership, please contact Steve Jaycox.  
jayco001@alumni.umn.edu

Swimming lessons will be offered at Lakeside Pool this summer. All lessons will be private lessons. However, children in the same family can sign up for one time slot. If you have questions about this, please contact Laura DeWees @ 507-573-3230. Lessons will be 30 minutes long and last for one week. Lessons will run from 8:00 a.m. to 12:00 p.m.

We are looking forward to an amazing summer teaching many children new swimming techniques!

Private lessons are \$80 per student (non-members \$95).  
If two or more students share a lesson (semi-private/same household)  
it's \$75 per student (non-members \$90)  
(Maximum of 2 per time slot and they must have similar swimming levels.)

# LAKESIDE POOL COMMITTEE MEMBERS

Please feel free to contact any of the board or committee members with questions or comments. We as a committee will work together to make this a great year at the pool!

# WASECA LAKESIDE CLUB LEGACY FUND

Over the years, there have been times that we've had members and the families of members ask what they could do for Lakeside. Some of these requests have been connected with memorials for their loved one and many of these requests wanted to fund Lakeside improvements. They want their contribution to make a long lasting difference for Lakeside.

Lakeside now has a permanent improvement fund – the Waseca Lakeside Club Legacy Fund. These funds are used for improvements to the golf course, pool, and clubhouse. We invite you to participate in making a difference at Lakeside by contributing to the Waseca Lakeside Club Legacy Fund.

Dollars contributed to this account could be designated to the golf course, clubhouse, or pool. If you want to contribute and don't have a preference, the donation could be placed in the general fund for any immediate needs. The first project that was funded by this account was the men's bathroom renovation project and we are all proud of what an improvement that turned out to be. We are very fortunate to have this fund and the work that it supports. As we look into the future, we ask you to consider making a donation to this fund and if you wish to spread your donation over several years, that can also be accommodated.

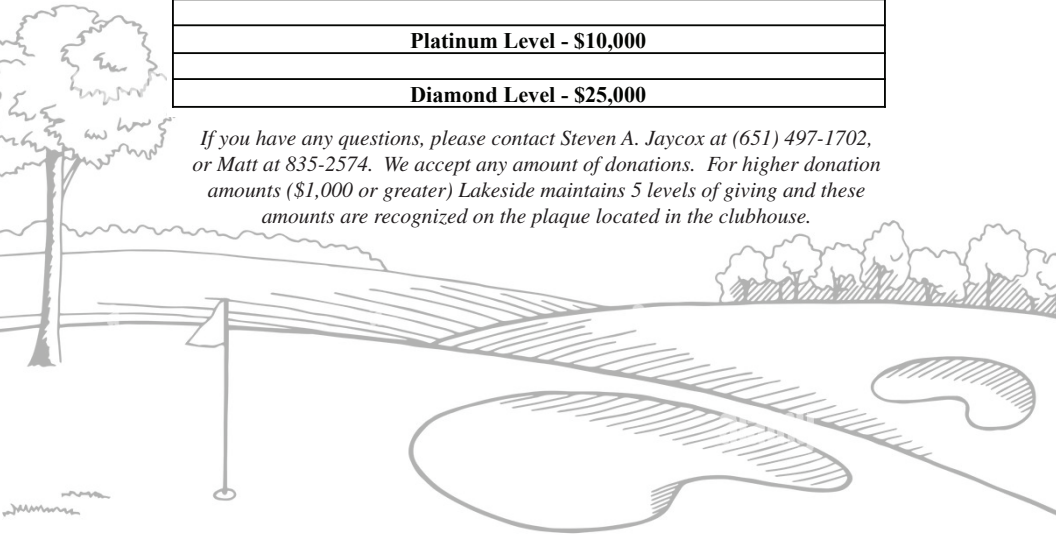

All donations in any amount are appreciated but to recognize donation of \$1,000 or more, Lakeside has a plaque in the clubhouse, listing the five different levels of giving and the donors within each category. These levels are listed below.

We hope you consider making a donation towards the future of Lakeside. The club has been a tremendous asset for Waseca since 1922, and as we celebrate our 104th year, this is a great time to consider a donation to this Legacy fund.

**The Waseca Lakeside Board of Directors and Staff want to thank you for your consideration and your continued support and commitment to Lakeside!**

<b>Bronze Level - \$1,000</b>
<b>Silver Level - \$2,500</b>
<b>Gold Level - \$5,000</b>
<b>Platinum Level - \$10,000</b>
<b>Diamond Level - \$25,000</b>

*If you have any questions, please contact Steven A. Jaycox at (651) 497-1702, or Matt at 835-2574. We accept any amount of donations. For higher donation amounts (\$1,000 or greater) Lakeside maintains 5 levels of giving and these amounts are recognized on the plaque located in the clubhouse.*
